Well, the 2022 summer is almost over! Fall is approaching along with its cool air, changing of the leaves, & all the pumpkin inspired recipes. However, NCYC is still busy with lots of upcoming activities and events.

This Friday, September 16 @ 8pm, we will hold our monthly meeting and will be nominating members for positions on the Bridge, Committees, Board of Directors, and Auxiliary Offices. We are looking for a Rear Commodore, Secretary, & Board Member. We also are seeking volunteers to chair committees for our 2023 events. This is a very important meeting as we need our members to step up and volunteer for these positions to keep our club moving forward.

Finally, continue to check our website for updates and all information regarding NCYC. The password for the members section is GennyG53. [Nugentscanalyachtclub.com](https://www.nugentscanalyachtclub.com). If you are on Facebook, join our fb page, Nugent's Canal Yacht Club.

THE BRIDGE:

Vice Commodore, Dave Betschman - Membership is holding at 121 members including a total of 18 new members for the year. As a reminder, membership app and our current members list are now on the club website. The homecomings and regattas are coming to an end. Members of the bridge attended all 6 poker runs as well as the regattas and homecomings. The commodore and vice commodore attended 4 AYC meetings. It will be our turn in the spring to host a meeting. Elections are coming soon (next month) and we are looking for qualified candidates to serve on the bridge, board and chairpersons of committees

Rear Commodore, Jeff Endslow - It was great to see everybody that participated in the golf cart poker run as well as the golf scramble. A big shout out goes to Brad and April for organizing the poker run and to all the gracious hosts that provided food and refreshments at all the stops. A big thank you also goes out to Buddy Zender for organizing the golf outing and making it a success. Rob Arth and I cooked the chicken for the post golf luncheon, and it looked like a good time was had by all. I would also like to take this time to thank Jess for all the work he does on the plants that are around the club. The Bridge visits a lot of other clubs during the summer months and we by far have the best floral arrangements. A big thanks to Jess and everyone that helps him with the arrangements and watering duties. Lastly, don't forget that we're working on getting the shelter house closed in before winter and if you can lend a hand see bill Johns. I know that he would appreciate it.

Treasurer, Shannon Williams

August financials show a loss of (\$566.90). Some homecoming expenses hit this month, including the cost of breakfast supplies, carpet cleaning, garbage dumpster, and the cost of the bus. The Golf Scramble brought in \$1,317 and we donate \$200 to Hospice in Jenny G's name, netting a profit of \$1,117. We also received \$1,008.00 in matching donations in August! A big shout out to everyone that has donated and make sure you check out the anchor's donation wall.

You can make your matching gifts at the club or mail a check to the club C/O the treasurer at 3035 W. Canal Road, Port Clinton, Ohio 43452.

Detailed financial reports can be found on the website or attend the next meeting on September 16th for more of a detailed report. Contact Shannon Williams (419) 595-2559 with any questions.

Work Hours: Within the header of this newsletter reflects the current work hours through August. You will be charged \$10 for each hour that you have not worked. I have done my best to keep good records of these hours but if you think there is a discrepancy, please contact me so I can double check my records.

Invoices: Invoices will be sent electronically unless you do not have an email on file, then your invoice will be mailed, or hand delivered. As with every new process, there could be some hiccups so thank you in advance for your patience. I will be sending out an email in the beginning of October explaining this new process.

BOARD OF DIRECTORS – Mike Zolkowski

Again, much of our time is spent on the Shelter House Project. Getting and reviewing quotes, working a renovation timeline to align with our budget, reviewing the budget and looking for additional fund-raising events to help support this important project. Our goal is nothing more than to deliver a first-class space for our members to enjoy and a long-term revenue source to help support the Club for years to come. We can't do this without the help of all our members. Our Matching Fund is still underway, so please help any way you can, no donation is too small. And remember we are a non-profit organization, so all donations are tax deductible.

Pool leagues and Pool Tournaments are right around the corner. Please help welcome back all the players once league play begins and look for exciting Tournament dates and announcements as they become available.

We are still looking for anyone interested in applying for our Bar Manager position. If interested, please contact any Board or Bridge member. Job descriptions are available on request.
